

Pennywell Farm Access Statement

This access statement does not contain personal opinions as to our suitability for those with access needs but does aim to describe accurately the facilities and services offered to all our visitors.

Introduction

Situated a mile from the town of Buckfastleigh in South Devon, Pennywell Farm is a multi-award winning farm park; the biggest in the South West.

All the farm buildings, animal enclosures, activities, shows and displays are all on a level site. The average length of stay is approx. 5 hours.

There is a new activity, show or display every half hour which is supervised and led by a member of the Pennywell team. The attraction is very hands on and visitors are encouraged to touch and interact with the animals as much as possible. Hand washing is adjacent to all the areas where animals are handled and touched.

Voice boxes are located around the site.

We have a licensed restaurant, coffee shop, takeaway and gift shop all with step free access.

We have a team of friendly staff who are here to help. They all wear distinctive bright red tops and are spread around the site.

We look forward to welcoming you. If you have any queries or require assistance, please call: 01364 642023 or email: info@pennywellfarm.co.uk
